

## Run Supplies

These are supplies that are leftovers from runs. Most of these supplies are left at the landsite with the intention that they are to be used by TCC at activity weekend. These should only be used at a club's run as a last resort / emergency back-up if needed. The only exception is if one club's run coordinator leaves these items specifically for the next run. These 'passed on' items are to be labeled.

There is usually a supply of the following items in the cabinets in the kitchen or the gray storage shed behind the kitchen.

Be sure to bring an adequate supply of the following items for your run.

Plastic knives, forks, spoons.
