SUGGESTED TASKS FOR THE MAY ACTIVITY WEEKEND:

The primary focus of TCC members for the Activity Weekend will be insuring that the Spring PWA Campout participants have a happy, worry free, and fun weekend. John Szewczyk, Houston Firedancers; the Campout Coordinator, is the point of contact for those desiring to help out or sign up sheets for various tasks will be available at the registration point.

Remember that everything that is done to prepare the buildings and grounds for the PWA Campout will also help minimize the work in preparing the Landsite for LoneStar 18 the following weekend.

PROJECTS LOOKING FOR A COORDINATOR & HELPING HANDS:

Looking forward to seeing everyone at the May Activity Weekend/PWA Campout and LoneStar 18 the following weekend.
