

June 2007 Kudos

I would like to thank the following for the great work covered during the May Activity Weekend:

To Frank Manko for cleaning out the fire pit, raking up and burning the piles of leaves

To Dan Baker for sweeping out under the canopy at the beginning of the trail down to the Compound

To Doug Ford and Frank Manko for making the horse shoe pits next to the rock wall

To Ken Witt for vacuuming out the Bunkhouse and TCC trailer

To Doug Ford for checking the fire extinguishers

To Dan Baker for checking the lights going up to Buzzards' Peak

To Ken for mowing around the parking lot, flag pole field and tent areas

To Dale for weed eating around the mail box

To Corby Bailey for working on getting the weed eaters working

To Dale Arndt for purchasing the lettering and placing the TCC address on to the mail box

To Doug Ford for bring and trimming branches from home for the fire pit

To Ray Moore for mowing around the TCC trailer, kitchen and other places not witnessed by myself

To Hal Prior for arranging the two truck loads of gravel and the exciting time Stan, Hal, Jerry and Jim had watching the truck driver dump the load. You had to be there!

Thank you to Stan for spreading the gravel with his tractor

Thank you to Dale for spreading the concrete onto the gravel hoping to keep it from washing away

Thanks to Ken Witt and Jim Newsome for power washing the interior and exterior of the walk in cooler

To Dale Arndt, Jim Newsome, Brian Epperson and Peter Reid for setting the rail road ties in place in front of the walk in forming a new step

To Dale Arndt for filling in under and around the rail road ties

To Dale Arndt for getting the landscape lights working on the steps going up to Firedancer's Hill

To Dale Arndt for clearing the paths between the kitchen, tool shed, hazmat and restroom

To

Tasks for June Activity Weekend

- Wash grease vents over stove
- Spray property with insecticide – Brian will perform this task
- Fill in the ruts in the road at the entrance of TCC
- Fill in the ruts in the road going up past the rest room to the hazmat shed.
- Cut down several dead trees
- There have been comments made about the appearance of the Pole Barn leaning. Would like to investigate and create an action plan to correct the situation if needed.
- Mow parking lot, flag pole field and road
- Trim around flag pole field and tenting and common areas
