

## November 2007 Kudos

I would like to thank the following people for their help at the October Activity Weekend.

To Guy Jones and Jack Elsbree for replacing the steps going up to the back of the stage.

To Dan Murdoch for raking the common areas

To Dan Baker, David Yero and Bill Cary for gathering and cutting limbs and taking them to the fire pit. Also to Dan and David for trimming around the mailbox.

To Jim Singleton for cleaning up the Compound and replacing the computer power supply

To John Szewczyk for replacing the top metal strip door seal on the walk in.

To Lobo for purchasing a drain snake

To Dale for unstopping the toilet.

To Dale for replacing the ceiling fan in the Polebarn.

## October Activity Weekend projects

Shut off water to Compound area and drain water lines

Install faucet muffs on exterior faucets

Install tarps around kitchen and pole barn

Install kitchen doors

Check bunkhouse heater filter and light pilot

Check propane tanks:

- Bunkhouse
- By Electrical shed
- Small bottles behind kitchen

Check propane tank heater heads for proper operation

Setup heaters in:

- Showers
- Restroom
- By the ice machine

Setup wood burning stoves in pole barn

Reset timers for path lights:

- Around shower area
- Mills Landing path between showers and tool shed.
- Going from the Showers down toward the restroom.

Dispose of out of date items in walk in cooler

Drain swimming pool and store.

Locate and inspect all fire extinguishers.

Remove leftmost walk-in cooler glass door, replace seal and investigate the door closer mechanism.

Thanks and see everyone at Activity Weekend!
