Things that need to be done during the Aug activity weekend.

I know it is going to be hot so please drink **Lots of water and/or Gatorade.**

NOTICE: There is a BURN BAN for the area.

1. There needs to be a major clean up of the Land Site. From the recent storm and trash left in the trash cans around the land site, there is some trash blown around that needs to be picked up.
2. Need someone to go around and pick up tree brush and limbs in the compound tent area and take to the wood pile.
3. There are some fallen trees across the path going up Buzzard's Peak trail that needs to be cut-up and taken to the wood pile.

4. The Pool needs to be cleaned:

Clean the pool pump filter

Check the pool water chemistry

Skim out the leaves with the fly swatter style skimmer provided.

Vacuum the pool bottom with the vacuum apparatus provided

5. Need to check and clean the filters in the A/C units in the Rest Room, Bunk House (2), Pole Barn dressing room and Shower.
