

First off let say I hope everyone has a great Thanksgiving and hope to see most of you at the land site for our Thanksgiving dinner on Saturday.

I want to say thanks to the following people for their help during the October activity weekend.

Lobo for taking the small propane tanks to Rockdale and having them filled.

Dale for re-working the "No Parking or Camping" sign between the restroom and bunkhouse and recovering the kitchen doors with plastic.

Scotty for washing out the trash cans and relining them, cutting down a tree (by hand) and taking it to the fire pit, cleaning out the fire pit in the compound area, cleaning the A/C filters in the bunkhouse, restroom and shower, and adding Rid-X to the septic system.

Ray for cleaning the restroom, shower, and walk-in cooler.

Rick, John, and Lobo for cleaning covering and shocking the pool.

I am sorry I did not get the list of who provided what for the Saturday night dinner.

My computer is down at the time so I will have a list of things that need to be done this activity weekend posted when I get there Thursday evening.
