Things that need to be done for the May Activity weekend:

Mow and trim:
 Parking lot
 Road from gate to flagpole field
 Some of the tenting area
Remove the brush and trim the trail going up to Buzzard peak. (This really needs it bad)
Trim the tree limbs up above the flag poles so the flags will not get torn.
Check for burned out bulbs in Pole barn
Check lights on Buzzard's Peak path
Check faucets for good cut off
Check fire extinguishers in kitchen, behind shower, in the Pole Barn Dressing Room and in the Bunkhouse
Treat septic system with Rid-X
Spray weed killer in gravel area
Spray property with insecticide
