

Kudos for Jan 2009

Because of it being a meeting weekend we really didn't get much work done. But I would like to say thanks to everyone that did show up.

Thanks to:

- Tom for getting the wiring done on the Chicken Ranch.
- Bill, Douglas and Steve for picking up downed tree limbs and taking them to the fire pit area.
- Bill for trimming some low hanging tree branches and taking them to the fire pit area.
- Lobo for re-anchoring some of the cross ties in the path way.

I would like to thank the following for their contributions to the Saturday evening meal. It was great:

- Tom – Lasagna
- Frank – Chile and Fixings
- Jim – tortellini w/ Alfredo sauce
- Peter – Peas
- Bill – Garlic Bread
- Douglas – Corn
- Dale – Salad

Things to be done for the Feb Activity Weekend

- Pick up downed tree limbs and take to fire pit area.
- Rake Leaves from Ditches.
- Need help running the Ditch Witch during the weekend. We will have it from Saturday morning to Monday morning and we have 3 ditches to dig.
- Need help laying out new water line from the kitchen to the walk-in cooler and from the water tap in compound to the top of the chicken ranch.
