

# Kudos for Jan 2010

(work done in Nov 09)

Thanks to the following for your help at the Nov 2009 Activity weekend.

Brian for turning off the water and draining the pipe's going to the compound area. Disconnect water hoses and put muffs on faucets. Some of you covered your own faucets, Thanks.

Guy for installing the Doors on the kitchen.

Dale for building a new window frame on the back side of kitchen and in stalled a plexiglass window.

Dropping the tarps around the kitchen.

Turning the water off going to the top of trailer hill and draining pipe.

Douglas for going through the walk-in cooler and removing out dated items.

John for removing the leaves from around the outside water storage tank.

Brian (from Houston) for cutting all but the very large trees down in the compound area and hauling it to the fire pit and thanks to all those that gave a helping hand in loading and unloading the brush.

Members of TOL for burning all the brush that was brought to the fire pit.

Dica w/TOL for cleaning the bathroom.

Want to give a big Thanks to all those that brought food, helped prepare food for our Thanksgiving dinner on Saturday. It was GREAT.

Thanks to the ones that got in the kitchen and helped cleanup afterwards.
