

# Kudos for March

(Work done in February)

There wasn't much of a turnout for the February activity weekend. There were a lot of us that went to LUEY.

Thanks to Dale for:

Completed the restroom plumbing

Completed the kitchen plumbing

Installed drain faucets under the kitchen to drain kitchen water

Purchased and installed new water filter for ice machine

Replaced water line going from water filter to ice maker

Sanitized the ice machine bin with bleach & hot water

Cleaned mildew from inside of ice maker and ran nickel cleaner through machine

Organized the PVC and CPVC plumbing fittings

Purchased and replaced broken toilet seat bolts

Hung up several large pots and skillets from rafters in kitchen

Placed an old trash can in the pit to collect small metal items for recycling

Thanks to Guy for:

Vacuumed out the Bunkhouse

Picked up and drug limbs over to fire pit

Thanks to Stan for:

Leaf blowing

Thanks to Ed for:

Leaf blowing of pathways

Picked up cut up tree limbs and took to fire pit

Thanks to Mark S. for:

Picked up trash around Land site

Rolled up extension cords

Picked up limbs taking to fire pit

Thanks to Tom S. for:

Completed installing meters at Ray & Franks; Lee & Lobo's

Got electric meter working properly going to Jim N's trailer

Started digging trench to run electric to Dale's camping spot

## March Maintenance checklist

Clean air conditioners and filters in:

- Shower room
- Bunkhouse(2)
- TCC trailer
- Pole Barn dressing room
- Restroom

Turn off pilot in Bunkhouse heater

Remove faucet muffers throughout Land site and place by Haz-mat shed

Removed the freeze protection from the Well Head area faucet

Dispose of old items in the walk in

Check fire extinguisher charges.

Rake out ditches and culverts

Power wash interior & exterior walk in cooler

Sweep off leaves from roof tops of buildings and clean out gutter over kitchen

Perform maintenance on mowers and weed trimmers

Fix toilet paper holder unlock buttons

Clean out and reorganize the dry goods shed

Install AC in Bunkhouse

**On Friday need to have the compound play area moved so we can cut down the large trees where the septic system is going in. (don't want the trees falling on anything)**

**Saturday need to cut down large trees and take them to the fire pit area, cut up and place on wood pile.**

**Need to set play area back up. Our first Run will be April 2-4. (EROS)**
