

Things to be done at the Feb. 10 Activity Weekend

I will not be at the Activity weekend this month.

Dale is going to **need some help** with the completion of repairing the water line.

Need someone to clean out the restrooms and showers.

Need someone to vacuum out the bunk house.

Need to take a blower (if you have one please bring it) and clear off the walking path's.

Need to go around the Land site and pick up the fallen tree limbs and take to the wood pile.

Need to pick up the cut up trees by the TCC trailer and in the pit behind the bunkhouse and take to the wood pile.
