

April Maintenance Checklist

To the TCC Members: We need a lot more people to help out on our work weekends. There seems to be just a few Regulars that come out and do the work that needs to be done and some for the Regulars are really getting burned out.

Please try your best to come out and help.

Remember this is your TCC.

Just think if those regulars get completely burned out and don't show up to help out how do you think TCC would look?
